County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works

Jennie Brunick, Accountant

VIA: Will Clemens, Department Administrator

DATE: 7/16/2013

SUBJECT: Submittal of resolutions to levy assessments for Flood Control Zones 1 and 1A (Arroyo Grande/Oceano Area). District 4.

RECOMMENDATION

It is our recommendation that your Honorable Board, acting as the San Luis Obispo County Flood Control and Water Conservation District:

1. Approve subject resolutions (2) and collect assessments as stipulated therein; and
2. Direct the Clerk to file the approved Resolutions with the County Auditor no later than August 10, 2013.

DISCUSSION

The benefit assessment funds activities associated with the Arroyo Grande Creek improvements (Zone 1) and the Los Berros diversion channel to Arroyo Grande Creek (Zone 1A). This rate has been in effect more than twenty-four years. The current rate was in effect when Proposition 218 was passed. No vote on these current assessments is required unless the rate is to be increased. On June 6, 2006, voters approved an additional annual assessment to fund increased maintenance activities. This additional assessment will be brought to your Board in a separate item.

OTHER AGENCY INVOLVEMENT/IMPACT

Tax Collector collects the charges on the taxroll, Auditor/Controller places the charges on the taxroll and County Counsel has approved the resolutions as to form and effect. The County Clerk will file the resolutions with the Auditor/Controller.

FINANCIAL CONSIDERATIONS

Section 13 of the San Luis Obispo County Flood Control Act 7205 allows for the recovery of costs associated with the maintenance and improvement of the subject drainage projects. The amount of the assessment, per parcel, is \$10.00 per acre rounded to the nearest 1/2 acre. The revenues are included in the proposed Flood Control Zone 1 and 1A budgets for 2013-14. The total of this

assessment levied in Flood Control Zone 1 will be approximately \$17,000, which represents 1% of the district funding. The total of this assessment levied in Flood Control Zone 1A will be approximately \$2,100, which represents 7% of the district funding.

RESULTS

Approximately \$17,000 in Flood Control Zone 1 and \$2,100 in Flood Control Zone 1A will be added to the property tax bills in the respective districts for 2013-14. This revenue will be used to finance flood control services within the respective districts. See resolution exhibit for amount charged each parcel.
